Customer: _____ (Print Name) _____ (Signature) _____ (Date)

4. **Submit this application to the utility** along with a copy of charging station proof of purchase to your electric utility.

TERM & CONDITIONS

PROOF OF PURCHASE – Charging Station: Any Residential Electric Vehicle charging station. Sales receipt(s) or invoice(s) itemizing the charging station and indicating the size, type, make, model, and purchase date. Charging station must be purchased and installed before final incentive is paid.

INCENTIVE OFFER: Details of this program, including incentive levels, are subject to change without notice. The electric utility reserves the right to limit incentives. Not available for equipment that qualifies under other EnergyWise℠ incentive programs. All incentives are subject to specific program guidelines. This incentive is only available to customers of Nebraska Public Power District (NPPD) and customers of its wholesale utilities.

ELIGIBLE EQUIPMENT: Any Residential Electric Vehicle charging stations.

ISSUING INCENTIVES: Equipment must be purchased and installed before an incentive is issued. Falsifying any information may lead to cancellation of this and future incentive applications, a claim by the electric utility for the return of any incentive, and/or referral for prosecution. Please allow 45 days for delivery of incentives. Submitting an application with incomplete or missing information may delay processing of the incentive.

APPROVAL & VERIFICATION: The electric utility reserves the right to verify sales transactions and projects prior to and after installation.

TAX LIABILITY: Neither the electric utility nor Nebraska Public Power District are responsible for any tax liability imposed on the customer as a result of the incentive.

ENDORSEMENT: Neither the electric utility nor Nebraska Public Power District endorses any manufacturers, products, or system designs in promoting this program.

DISPOSAL: The customer/contractor is responsible for the proper disposal and/or recycling of any waste generated as a result of this project.

SAFETY & BUILDING CODES: It is the responsibility of the customer/contractor to comply with all federal, state, and local safety, building, and environmental codes. All products must be UL-listed and installed per manufacturer's instructions.

DISCLAIMER OF WARRANTIES: Neither the electric utility nor Nebraska Public Power District warrant the performance of any equipment either expressly or implicitly. Contact the supplier or contractor for details regarding equipment warranties.

USE OF CUSTOMER DATA: The utility asserts that energy data collected is for research purposes only. Any dissemination of the data would be scrubbed of individual identification.
